

Children at graduation.

Children are welcome at your BPP Graduation.

Please note:

- Children must be accompanied by a guest
- Children must sit with the guest for the duration of the ceremony
- Tickets must be purchased for children requiring their own seat, but not for children who can sit on laps
- Children cannot accompany graduates as they cross the stage
- Please ask Bridgewater Hall staff for access to the baby feeding room
- Lifts are available for people with pushchairs
- If a child becomes distressed during the ceremony, please take them outside to the hallway to help them calm down
- Young children may find the day to be quite long, so graduates are encouraged to arrange childcare so they can relax and fully enjoy their special day
